

DIET CHANGE

NOT CLIMATE CHANGE

Food Day 8 Dec 2018

VENUE

Climate Hub,
Klub Królestwo.
Opposite the
COP venue

9:00-10:30

Talanoa around the world - Innovative Food Solutions

If we zoom into the local level of different regions all over the world, we will find many heroes playing a role in tackling climate change. We'll hear about some of their most innovative food solutions.

SPEAKERS

- Doris Lee (ProVeg Regional Manager East Asia)
- Dale Vince (Forest Green Rovers)
- Global Forest Coalition (South America)

10:45-12:15

Unlocking the potential of plant-based foods

In recent years, the plant-based diet has been recognised for its potential to be a highly effective tool in the fight against climate change. Many plant-based food innovations exist all over the world, but how can they be upscaled and integrated into policies?

SPEAKERS

- Zitouni Ould Dada (FAO)
- Cristina Tirado (UCLA& IPCC)
- UNFCCC

Climate Hub
