

MEAT: THE BIG OMISSION FROM THE TALKS ON EMISSIONS: PUBLIC UNDERSTANDING AND POLICY OPTIONS

WEDNESDAY 9TH DECEMBER

15.00–16.30

Observer Room 04

Leading experts and government officials will discuss the climate impacts of meat and dairy consumption, public awareness, and policy and behaviour-change solutions. The focus will be on action post-Paris (incl. INDCs), as well as new research and work in Brazil, China, the UK, the EU and the US.

Johan Rockström, EAT (Chair)

Antony Froggatt, Chatham House

Jo Leinen, Member of the European Parliament

Alexandra Clark, Humane Society International

Wanqing Zhou, Brighter Green
